

CHRIS HIXON ATHLETIC SCHOLARSHIP APPLICATION

Scholarship Information:

The Chris Hixon Athletic Scholarship currently awards five one-time scholarships in the amount of \$4,000 to student-athletes who are graduating from a Broward County Public School. Students who are applying for the scholarship must be pursuing post-secondary education, whether through a traditional college or university, or through a technical training program (commonly referred to as “trade school”). Students who are awarded the scholarship will have scholarship funds sent directly to the institution they choose to attend.

Background:

Christopher Hixon was a victim of the Marjory Stoneman Douglas High School during the tragic events that took place on February 14, 2018. He sacrificed himself while running towards the shooter in order to stop him from taking more innocent lives. Chris was an Athletic Director, Coach, and Campus Monitor during his more than 25-year career within Broward County Public Schools at Blanche Ely High School, South Broward High School, and Marjory Stoneman Douglas High School. Additionally, Chris Hixon was a retired U.S. Navy Veteran having served 27 honorable years, 5 active duty and 22 reserve, in support of our nation. His love for his student-athletes was well known throughout his career as he always went the extra mile to ensure they were taken care of. Therefore, to continue his legacy and continue to take care of student-athletes we created this scholarship in his name for the student-athletes he loved so dearly.

Values of Candidates:

We are looking for the best of the best student-athletes as someone to best represent the kind of person Chris Hixon was. We are looking for someone who is just as involved on the field as they are off the field and in the classroom. Someone with a passion for service towards others, leadership, school and community involvement, and citizenship towards our nation.

Criteria for Eligibility:

1. Must be a Student-Athlete in BCPS.
2. Must have a minimum unweighted GPA of 3.25.
3. Must be pursuing higher education upon graduation. Either **traditional post-secondary education** or **technical career institute**.
4. Must have a minimum of 50 volunteer hours.
5. Must submit two letters of recommendation: one by an athletic coach AND one by a teacher, mentor, guidance counselor, or principal.
6. Must submit a one-page personal essay of why they feel they deserve this scholarship. The essay should discuss how the student would use this scholarship to honor Chris Hixon’s memory and legacy.

Please apply only if you meet the criteria and believe you are a deserving recipient of this prestigious award, someone who is willing to carry Chris' legacy forward in a way that would make Chris and his family proud. **The Scholarship Application Deadline is March 10, 2023.**

Please read all sections of the application carefully as improper submissions will not be accepted or considered for award.
